M'CARTHY PLEADS GUILTY.

Walked into Federal Court One Day Ahead of Time.

William McCarthy, the sailors' boarding house man, yesterday morning walked into the federal court room one day ahead of time and pleaded guilty to the charge recently placed against him of holding Seaman McIntyre's clothing contrary to law.

Last Saturday McCarthy was arraigned upon this charge. At that time he appeared without an attorney, as he also did yesterday, and was allowed to go upon his own recognizance to appear in court today at 10 o'clock to enter his plea. Judge Estee imposed a fine of \$25.

STIPULATION NOT ALLOWED.

Judge Humphreys Ruled in Kamalo Sugar Company Case.

The attorneys for H. R. Hitchcock et al., in the somewhat famous suit against Huxtable, Egan, Foster and the Kamalo Sugar company, yesterday undertook to file a stipulation allowing the defense until November 20 to file its answer to the amended complaint. Judge Humphreys promptly sat upon the move. At the bottom of the paper he wrote the following:

"I cannot approve of this stipulation. I do not think that any further or other answer will subserve the ends of equity. The amendment to the bill was allowed so that the allegations might conform to the proof. The opinion of the court has been rendered, though not actually reduced to writing."

SOME PLANTATION

GOSSIP OF THE DAY

Pat McLane, the hustling young plantation manager, who was made manager of Kamalo plantation, has resigned his position. Not many days ago a letter was sent him by Paul Isenberg to come to Honolulu at the very first opportunity and Mr. McLane came. He was told that Anton Cropp, manager of the Koloa plantation, Kama had resigned and that he had been picked out as manager in his place. Mr. McLane accepted the offer, sent in his resignation as manager of the Kamalo and will leave soon for his new place.

P. S. Scales, who has had charge of the American Sugar company interests on Molokai, has resigned to accept a position with the Hawaiian Commercial at Spreckelsville. Mr. Scales left in the Kinau yesterday to install his successor.

The present hurry in Kihel is the business of the order.

THE FILIPINOS HOPE FOR BRYAN'S ELECTION

John A. Henshall, corporal of company K, Thirty-fifth infantry, a brother to W. A. Henshall, the attorney, and George Henshall of the Star, in a letter from San Miguel, Philippine islands, says: "These small bands, assisted as they are by the nature of the country, will doubtless continue to give infinite trouble in remote districts and afford carping critics an opportunity to indulge in cheap sarcasm at the inefficiency or inability of the American army to end the business, but the fact remains that organized resistance is over. The outpost attacks and rushes made on small garrisons are simply perpetrated by bands numbering from 100 to 500 men, bound together in a common hope of plunder. It is a pretty safe guess to hazard that after next November when this straw figure of imperialism, so-called, is laid low and McKinley re-elected, even these small bands of patriots and outcasts will see the futility of further resistance and collapse."

A Great Medicine.

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy and find it to be a great medicine," says Mr. E. S. Phipps of Poteau Ark. "It cured me of bloody dysentery. I cannot speak too highly of it." This remedy always wins the good opinion, if not praise, of those who use it. The quick cures which it effects even in the most severe cases make it a favorite everywhere. For sale by Benson, Smith & Co., general agents, Territory of Hawaii.
